SPIRITUALLY SEPARATING: HEAVEN, RISING ABOVE EARTH'S HORIZON

When I am earth yielding, sky being;

Then I am separating the substances of life in order to stop interacting and developing.

Inside, I am sheltering in the protection of heaven's leading impulse (placing myself in a restricted and hidden position in order to use my virtues in their full capacity); and

Outside, I am trimming away the excesses of earth's heavenly yield (carefully and properly adding to and taking away from my inclinations, and not finding glory in occupying a position with high wages in order to avoid afflictions and difficulties).
